Dear Sir/Madam,

RE: Application for a Fuel Attendant Job

I am writing to express my interest in the Fuel Attendant position at Mpaka Railway Station. With over two years of experience in fuel station operations, I am confident in my ability to manage ESR's fuel depots, monitor fuel levels, and issue fuel efficiently and safely.

In my previous role, I gained substantial experience in fueling vehicles, monitoring stock levels, decanting fuel from trucks and wagons, and keeping accurate fuel records. I have developed strong communication and customer service skills, ensured efficient and professional service while adhered to safety protocols. My qualifications include an SGCSE Certificate, and I meet the requirement of having over six months of experience in a similar role.

I am excited about the possibility of bringing my skills and commitment to Eswatini Railways. Please feel free to contact me at 7699 5130 to arrange an interview at your convenience. I look forward to the opportunity to contribute to your team.

Thank you for your time and consideration.

Sincerely,

Mfundo Masilela
