RE: Request to delay Rent payments

I sincerely write to plead to delay rent payments for Blue Breeze Car Wash. The reason for such a plea is due to the slow business we have been experiencing. Which has resulted in our business making losses.

Our business has been making losses for the past consecutive 3 months. We kindly ask to delay the rent payment until business takes a pick. In that process, we will keep constant communication as to how the business is performing. Hance, should it pick up quickly, rent payment will be resumed in full with all the rent of the delayed months.

I hope you will find reason in our plea. I am available on call and in person should there be a need.

Yours Sincerely,

Mr. Brian M. Gamedze
