Business Incubator Head of Department  
Royal Science and Technology Park  
Email: info@rstp.org.sz

Dear Sir/Madam,

## Application for Business Incubation

I hope this message finds you well. My name is Siwakhile Masilela, and I'm reaching out to apply for business incubation at the Royal Science and Technology Park for my project, the Eswatini Digital Drivers Wallet.

This app is designed to modernize driver documentation and road management in Eswatini. It includes features like digital driver's licenses, digital identity, vehicle registration checks, policing services for traffic offenses and emergencies, and a system for managing traffic tickets and violations. My goal is to improve road safety and efficiency while making these processes more transparent.

I'm excited about the potential of this project and believe it could have a big impact in our country. I'm eager to explore how incubation at your facility could help bring this vision to life.

Thank you for considering my application. I would love to discuss this further and see how we can work together.

Best regards,  
Siwakhile Siyabonga Masilela
