The Human Resources Manager
Médecins Sans Frontières Switzerland
Manzini
Eswatini

Dear Hiring Manager

RE: Application as a Nurse (L5)

I am writing to express my interest in the Nurse (L5) position within your Comprehensive Sexual Health Project in Matsapha, as advertised. I am a recent graduate with a Bachelor's Degree in Nursing Science from Eswatini Medical Christian University, where I graduated with First Class honours. I am excited about the opportunity to contribute my skills and passion for nursing to the impactful work being done by Médecins Sans Frontières. I bring a strong academic background and a well-decorated record from hospital attachments.

Registered with the Nursing Council of ESwatini, I am eager to contribute my clinical nursing skills, as well as excellent patient care skills. My hospital attachment record is exemplary, and I have had the privilege of gaining practical experience in various departments, where I was able to apply the principles of nursing in real-life scenarios. I am confident that my skills in nursing care, patient education, and working with diverse populations will allow me to be an asset to your team.

In addition, I am proficient in both English and siSwati, which I believe will help me effectively communicate with patients and colleagues alike. I am eager to bring my commitment to high-quality patient care and my dedication to upholding the values of teamwork, impartiality, independence, and neutrality to MSF's mission.

Thank you for considering my application. I am available for an interview at your convenience.

Yours sincerely,
S.D.S
