Dear Madam

RE: Application as a locum for General Nurse and Midwife

I am writing to apply as a locum for General Nurse and Midwife in your respectable Hospital. Recently graduating with First Class honours in Bachelor of Nursing Science, specializing in Community Health Nursing and Midwifery from ESwatini Medical Christian University, I bring a strong academic background and a well decorated record from hospital attachments as required by the ESwatini Nursing Council.

Registered with the Nursing Council of ESwatini, I am eager to contribute my clinical skills and dedication to patient care to your esteemed health facilities. I am impressed by your health facilities' commitment to providing high-quality healthcare, and I am keen to contribute to your team's success and serve under experienced professionals.

Please find my enclosed resume for more details on my qualifications. I look forward to the opportunity to discuss how my skills and passion for nursing align with the needs of your health facilities.

Thank you for considering my application. I am available for an interview at your convenience.

Yours sincerely,
S.D.S
